**Aquabridge Law is a multi-discipline law firm with offices in Essex and Suffolk servicing both business and private clients. We have a culture that challenges the conventional law firm approach and focuses our energy on getting great results for our clients, while attracting and developing brilliant people.**

We have a fantastic opportunity for a qualified solicitor to join the busy and growing corporate and commercial team doing top quality corporate and commercial work. You'll be working alongside highly rated solicitors and partners and ongoing support and training will be provided together with the ability to work flexibly.

We have seen consistent growth over 12 years and provide a clear opportunity for career progression as the firm develops further.

You'll be part of a team that will be thinking on their feet and adapting smartly to changes and new opportunities whilst working on top quality legal work.

See below year for more information on the type of work we do.

While we respect in-depth knowledge and accuracy what we really admire is the ability to use that knowledge to the benefit of clients. Helping them to solve problems and find ways to resolve issues when they can't see a way forward. Supporting them with advice and guidance when they need it most.

We are keen to speak to energetic individuals with the following skills and traits:

- Problem solving mindset;
- Integrity;
- Attention to detail;
- Commercial awareness;
- Excellent interpersonal skills; and
- Strong organisational skills.

Experience outside of the legal profession (particularly in business or other professions) is considered a positive.

As a corporate solicitor, your role would include:

- Working on all aspects of a varied caseload of corporate matters including mergers and acquisitions, corporate restructuring, MBO's and share schemes.
- Advising clients on corporate governance matters.
- Advising on commercial contracts and terms of business.
- Advising partners on opportunities to add value to the client experience and improve profitability for the team.
- Supervising junior members of the team, with the aim of maximising the teams overall contribution and performance.
- Assisting with business development and marketing initiatives.

### **Reward and Recognition:**

- An attractive salary
- Discretionary bonus
- 25 days annual leave, plus bank holidays
- Compassionate leave
- Contributory pension
- Discounted legal services
- Death in Service
- Permanent health insurance
- Hybrid/ flexible Working
- Payment for professional memberships and development opportunities

### **Aquabridge Corporate and Commercial work highlights 2023/2024**
